

A NOTE ABOUT CHOOSE-UP

Attention male Rock Hollow members:

Gentlemen,

Following is all of the information about Wednesday Choose-Up and the schedule of events. I hope a lot of you members are able to join us on a regular basis on Wednesdays. Choose-Up starts at 12:00 noon and if you know you are coming, but can't get to the course by 11:30 please call the pro shop and let us know you will be here. All Choose-Ups cost \$36.00 to play except times marked as "SPECIAL" and "SPECIAL" times cost \$50.00.

There are three types of play on Wednesdays:

1. Regular: Each team consists of an A B C & D player, each team counts 2, 3, or 4 scores depending on the game being played. Skins are team skins, and all entry money is paid out to the winners. You play with your other team members.
2. SPECIAL: Special is played the last Wednesday of each month. Your group is determined by your scoring average and you play with others near your scoring average and not your teammates. Skins are individual skins.
3. Theme: The game is a different golf game based on the holiday or circumstances at a given time.

We have all levels of players from very good to very bad. Everyone who plays really enjoys themselves and throughout the year the prize money seems to spread out so no one loses a lot of money. I hope many of you will give Choose-Up a try.

The rules of play and a calendar of play follows.

Rules of play for Choose-Up

1. Each person plays whatever tees they feel comfortable with.
2. Two tee shots on hole #1. Take your best shot of the two.
3. Automatic 2 putts on first green after your ball is on the putting surface.
4. Putts inside 30" means the next putt is good.
5. Maximum score on any hole for every player is a triple bogey.
6. Post an honest, accurate score for each player on every hole.
